ARISTES CEMETERY

This cemetery is situated across the street from United Methodist Church a large red brick edifice, in town of Aristes, Columbia County, Penna.

It is seven miles from Ringtown and down in a bowl type area, at road intersection of Route 42 and Route ~~924~~ (probably a County road to Ringtown)

The stones here were copied October 6, 1973 by Mr. & Mrs. Walter C. Berryman. There are a great many spaces where traces of graves having sunk, are without any type of marker, others have flowers placed, but otherwise no identification.
