## I N T R O D U C T I O N

The BERKHAUS Bethlehem Evangelical Lutheran Church is located one and one-half miles south of Ohl, in Beaver Township, Jefferson County.

This congregation was organized in 1835 by Reverend Henry David Keyl. In the year 1833 George Berkhouse had donated the southwest corner of his farm, about one-half acre, to the Lutheran and Reformed people of the community for church and cemetery purposes. On this ground a plain log church was erected and dedicated, and in the old days was named Berkhaus Church, after the donor of the land. It has been called by this name ever since.

The Reformed congregation was never very strong and was gradually absorbed by the Lutherans and by other denominations in the community. The log building served the congregations from 1835 to 1852, at which time it was replaced by a frame structure.

The old church record, in the German language, was translated in 1969 by Cornelius E. Koppenheffer of Emporium. His manuscript contains a complete history of the church and baptisms and marriages through 1951. Only the earlier baptisms have been recopied here.
