RECORD BOOKS IN GERMAN SCRIPT

The 1761 - 1802 record is a 6 1/4 by 8 1/4 by 3 1/4 tooled leather-bound book, metal clasps removed, Pre Patria watermark unruled paper, 104 pages having been used when a new record was started in 1803 for the second church. Presumably the first book was stored in a chancel closet and went unrecognized when the second church was razed in 1923. It was then that by providence it was salvaged from an outdoor rubbish dump before burning, by local young people, and given no particular thought until recently, when we were given permission to translate and transcribe it.

The 1771- 1802 record is 8 1/2 by 13 by 1 1/2 inches, leather-bound, R4F watermark, unruled, and has 18 used pages.

Six record books are now accounted for in four locations. There probably are others, particularly of the Reformed congregation, one remembered to be about 6 1/2 by 8 by 1 1/2 inches. We would greatly appreciate hearing from anyone as to their location or fate.

Im Namen der Heiligen Dreieinigkeit, Amen.

Nachdem wir Lutherische Evangelische Glieder in Greenwich Downship, Bercks County geleg, unserer und unser Kinder Heil vor dem Herrn erwagen, so hatten wir uns im Nahmen des Herrn nicht nur entschlossen in Jahr Christi 1761, eine Evangelische Lutherische Kirche zu bauen, sondern Gett hatte uns auch Land darsu verschaffet, (in dem er den Michael Schmidt nebst seiner Ehefrau Ursula darsu erweckt, dass dieselbe dieser Greenwicher Gemeinde zwei Acker verkauft, das Geld aber zu der Kirche geschenket oder verahret haben.)

dass wir noch in eben demselben Jahr am Fruhjahr haben angefangen zu bauen zu können, so dass der Eckstein durch den Herrn Pfarrer Haussihl d. 18 May zu einer Evangelischen Lutherischen Kirche gelegt worden ist.

In Gett hat auch ferner Segen und Gnade verliehen, dass der gantze Bau der obgemeldeten Kirche im nachfolgenden 1762 Jahr völlig zu stande gebracht und geendiget worden ist, und zwar so und dergestalt dass obgemelde Kirche durch den damahligen und noch jëtso Prediger Schaum am 17 Trinitatis als d. 3 October 1762 hat eingeweihet oder eingesegnet werden können, und ihr den nahme Bethel beigelegt oder gegeben.

Weilen wir nun dieses alles blos zur Ehre Gottes und zu unserer und unserer Kinder Heil verrichtet haben, und die Ehre Gotten und unser Heil ferner befördert werden mögte, so ist dieses der Aeltesten, Vorsteher und Glieder dieser Greenwicher Gemeinde, wille und meinung dass diese Gemeinde und nachfolgenden Artickel soll behandelt werden:

1. Das dieser Bau eine Evangelische Lutherische Kirche soll sein und bleiben.
2. Dass in diesser Kirche nach der unveränderten Augspurgischen Confession und Symbolischen Buchern gelehret und gepredigt, und die Heilige Sacramenta nachdem Befehl und Verheissung Christi administiret werden sollen.
3. Dass in dieser Kirche Kein anderer Prediger berufen, predigen und angenommen werden soll, als welcher ordinirt ist und ein gut Zeugnis hat.
4. Endlich das nichmahlen wann wir einen eigenen Prediger haben, ohne sein Vorwissen, kein anderer Prediger Gottesdienst halten soll und darf.

Dies alles bekräftigen wir mit unsern eigen Händen oder Zeichen unterschrieben. Gescheh im Jahr Christi 1764, d. 25 December

In the name of the Holy Trinity. Amen.

Since we Lutheran Evangelical members situated in Greenwich Township, Berks County, for our own and our children's blessing before the Lord, have in the name of the Lord, not only resolved in the year of our Lord, 1761, to build an Evangelical Lutheran Church but also has God provided for it (in the Michael Schmitt, along with his wife Ursula, thereto arose to sell to the Greenwich Congregation two acres, but having donated or made a present of the money to the Church). That we even yet in the spring of the same year could begin to build, so that the cornerstone of an Evangelical Lutheran Church was laid on the 18th day of May, with Reverend Haussihl presiding,

In God has also further blessing and grace been granted, that the whole structure of the aforementioned church, in the following year 1762, was fully brought to standing and completion, and indeed so and in such manner that the aforementioned Church, by the incumbent as yet Paster Schaum, on the 17th Sunday after Trinity, that is, the 3rd day of October 1762, could be dedicated and consecrated, and assigned or given the name Bethel.

While we now all this solely to the honor of God, and to our own and our children's blessing have achieved, and that the honor of God and our blessing might be further advanced, so it is the wish and intent of the Elders, the Deacons and the members of the Greenwich Congregation that the Congregation shall be governed by the following Articles:

1. That this edifice shall be and remain an Evangelical Lutheran Church.
2. That in this church accord with the unaltered Augsburg Confession and the Symbolical Books shall be taught and preached, and the Holy Sacraments administered according to the command and promise of Christ.
3. That in this Church no other preacher shall be called, preach, and be accepted, but one who is ordained and has a good testimonial.
4. Finally, that at no time when we have a pastor of our own, without his foreknowledge, shall or dare another preacher hold church services.

All this we confirm with our own hands, underwritten:

Done in the year of Christ 1764, the 25th of December.

INTERDENOMINATIONAL AGREEMENT - 1778

(The following is a translation from the original written in German.)

Since we, the members of the Congregation in Greenwich Township, Berks County, having resolved ourselves, for us and our children, to build a church, in the year of our Lord 1761

So did we Lutheran and Reformed go to council with each other as to which ground this Church should be built on,

So after full discussion, it was decided that it should be built on Lutheran ground, but with the provision that the Reformed also may hold their church services therein, alternating them so that there be no interference between the pastors.

And while the Reformed congregation is quite small and weak, and so that they can have a pastor, the Lutheran Congregation will also contribute, while the Reformed congregation on the contrary so instruct their pastor.

And it has further been discussed and decided that when the Reformed have Baptism & hold Communion, they too shall have the use of the Church vessels.

This was our first agreement from the start of our church building, and shall be held firm and fast by us and those following us, and is here and now again renewed. So that each and every member of the congregations may know our course, we Lutheran, as well as

Reformed, Elders, Deacons and members, our own hands underwrite and again renew in the year 1778, on the 5th day of December

- Jacob Lants, elder of the Reformed congregation
- Georg Hering, elder
- Georg Arnolt, elder
- Georg Kamp, elder
- Christian Ungerer
- Nicolaus Gotshalk
- Johannes Frietsch, deacon
- Andres Dresler
- Michel Ley, deacon
- Ja'b Fucter, member of the Reformed congregation

INTERDENOMINATIONAL SCHOOL - 1753 - 1796

Memorial writing in connection with the dedication of the newly erected schoolhouse in Greenwich township, Berks County, which was publicly dedicated on the 23rd Sunday after Trinitatis, the 30th of October 1796.

In the name of the one and Triune God, Father, Son and Holy Spirit Amen! Amen!

After it had pleased God, especially through the efforts of German people to convert this state into a blooming garden and to turn the wilderness into a delightful meadow, a few members of this Nation have been desirous in this region of this country to preserve the Christian religion which they had learned in Germany, which they had accepted as a complete doctrine unto salvation, not only to preserve it for their personal comfort and guidance to the end of their days, but also to preserve it unto their children after their own demise. And as the foundation for the religion of Christ was laid in school, so they wanted to make provisions to the end that their descendants also be grounded in the same faith, so that our beloved youth may be brought up that the German churches and schools may not only be maintained but ever remain in a flourishing condition. To this end a few members of the Evangelical Lutheran Congregation have considered it expedient to buy a piece of ground in Greenwich township, Berks County, for a German school on a Lutheran foundation.

This purchase was made in the year of our Lord and Saviour Jesus Christ in the year 1753, on October 17th, by George Kamp and Christian Unger for the sum of 50 pounds of money currently in use.

The seller, Michael Schmitt, sold and turned over his property rights to the Lutheran Congregation in consideration for the above mentioned sum of 50 pounds. This was at the time when the Honorable Mr. Schaum was the pastor of the Evangelical Lutheran Congregation who was pledged to the unaltered Augsburg Confession.

Since the building on the piece of ground purchased was too small to serve as a schoolhouse, the congregation added a piece to the building, and thus it served many years as a schoolhouse, until it became totally unusable, when the congregation was obliged to build a new schoolhouse on the ground purchased from Christian Schmitt. For this building operation the congregation chose Johannes Witt and Christofel Kramer as builders.

When the congregation had come to the point when it was possible to conduct school in the new building it was dedicated on the 23rd Sunday after Trinity, that is the 30th of October, 1796, to the glory of the Triune God.

1. However, although this schoolhouse was erected on Lutheran ground, still the schoolmaster who wishes to conduct school in this building, shall be bound also to teach children from other denominations, reading, writing, and arithmetic, and-in-so far as the parents may desire, shall let them use their own catechisms, and he shall devote the same painstaking care and work he owes to the congregation, to all children alike, and shall be no respecter of person in this school.

2. It shall be the duty of the schoolmaster to teach the children thoroughly in the arts of reading, writing, and arithmetic, he shall diligently instruct them in the catechism and Holy Scriptures, that is, in the Bible, he shall diligently teach the children (shall diligently "sing with the children") such songs as are used in the public service, and especially too, he shall teach the children to pray to the Triune God in the name of Jesus, so that the religion of Christ may be begun, continued & remain in the children to the end of time.

3. The schoolmaster shall and must be a true friend of the Christian religion, and he shall be a virtuous man, so that he may at all times in teaching and living be a true servant of God and the beloved congregation, so that the tender youth through faith and virtue (in Glauben und Sittenlehre) may be led and brought into full Christian life; he shall carefully guard himself and chance that the children may be offended through any unchristian living and teaching on his part, but that on the day of judgment he can appear before the King Jesus and as a friend of God say: "Behold, Lord, these are the little ones whom thou hast given me to instruct. I have brought them all to Thee through Thy doctrine." And my wish is that the Lord Jesus might be able to say to all schoolmasters: "Thou good and faithful servant, thou hast been faithful over little, I will set thee over much, enter into the joy of thy master".

And thou my faithful God and Father, Thou who art the true Father, Father over all heaven and on earth, be gracious unto all Christendom and especially unto this congregation. Preserve among them peace and brotherly love. Bless, O, bless, Thou Father of all blessings, those who are leaders and workers in Thy church. Bless the parents, give them such hearts and minds that they may at all times be conscious of the fact that in due time they will be obliged to give account concerning their children, so that they may at all times seek the salvation of their children. Bless all thy children whom thou hast created and redeemed through the blood of thy Son. Give them the Holy Spirit, so that they may always belong to the righteous people who preserve the faith. O Thou Jesus, rich in blessings, bless all schools which love and practise Thy doctrine. Bless all who labor in Thy schools. Give them Thy good Spirit in these evil times, so that they may be patient in instruction, wise in teaching, and careful in their daily walk. Yes, Lord Jesus, Thou art Lord over all, we entrust this newly erected school into Thy tender care. Preserve it at all times from error and persecution. Give unto it at all times such men who seek honor and salvation of the children for time and eternity. Grant it, O Lord! Amen! Hallelujah!

This is the prayer of Johann Fridrich Obenhausen, Evangelical Lutheran pastor, pledged to the unaltered Augsburg Confession.

THE SECOND CHURCH

THE SECOND CHURCH

The congregation members of both sides were assembled in the schoolhouse on the 27th day of November 1802, to discuss whether to repair the old church or build a new one.

There were 26 members present, of whom 5 voted to repair the old church and 21 to build a new one.

God bless and grant that this action be fulfilled.

Johann Georg Kamp - Founder

John Georg Kamp was born in 1711 and came to Pennsylvania on the ship "Patience" at the age of 38 years, arriving at Philadelphia on Sept. 19, 1749.

He is recognized by the pastors as the "anfanger" and supporter of the Lutheran Congregation in Greenwich, and throughout his life was usually honored with honorary first place on the church council and at the altar. He purchased the church record book, was the first signer of its opening in 1763 and a signer of the Articles of Government in 1764. He also signed the interdenominational agreement in 1778.

The two tracts of land referred to in the church record - 2 acres and 50 acres, were a part of a Penn warrant granted on Oct. 17, 1753 to Michael Schmiedt (Michael Smith) totalling 200 acres adjoining the lands of Georg Kamp and Christian Ungerer, and were titled to Kamp and Ungerer, trustees of the Lutheran congregation, in 1763 according to the Court record. However, the congregation broke ground for the church in the spring of 1761, and probably had the use of the school land and building even earlier, or conducted their religious functions elsewhere.

Georg Kamp owned 150 acres of land, forty of it cleared, and was wheelwright by trade, according to the tax list of 1765.

In 1798 he made his will. He then had living 5 sons- Andreas, Georg Henrich, Johannes, Friedrich (1761- 1734 ? 1834) and Georg Adam, and a daughter Catharina, wife of Christopher Kramer. He bequeathed his large Bible to his daughter. Letters testamentary were granted to his son Andreas on January 14, 1805, which would indicate that he died about that time. His wife, Anna Maria (Koriner) died in 1795.

On January 4, 1807, Andreas Kamp accounted to the church for a bequest from his father's estate. There is no trace of any gravestone for Georg Kamp or his wife.

The Pastors

Johann Helfrich Schaum - the first pastor, present at dedication in 1762;
his name still appears in accounting of 1771; and he received salary in 1772.

Bernhard Michael Hausibl - present at the cornerstone laying in 1761

Johann Friedrich Ernst - recorded lists of communicants in 1789 - 1891

Johannes Schwarbach - His name appears in only one entry in the church book in 1792.
he was born on Mar 8, 1719, died Oct. 4, 1800 and is buried at Ben Salem Church
Carbon Co. Pa.

Johann Friedrich Obenhausen was licensed to preach as a "candidate" in 1794, at which time he came to this church. His license was renewed from year to year until 1804, at which time he was proposed for ordination, but turned down. He therefore left the jurisdiction of the ministerium and moved to Perry County. A group of Lutherans from northeastern Berks County moved with him. He continued to preach in what is now Perry County. Among his followers were members of the Hollenbach, Dressler and Ley families of this church. Loysville, a small town in Perry County was named after the Ley family and the Lutheran Orphan's Home at Loysville is named after the Dressler (changed to Tressler) family which came from this church.

Daniel Schumacher, an independent Lutheran minister, never associated with the Ministerium, lived in Weisenberg township, not far away from this church, and possibly preached here sometimes.

Jacob Weymer, a Reformed minister preached in this area for a short time in 1769 and 1770 and listed "Greenwich" as one of his congregations. However this definitely meant "Dunkel's Church which is also located in Greenwich township.

It appears that Bethel remained almost exclusively a Lutheran Church for many years. The only Reformed minister whose name appears in this first church book is that of Heinrich Hertzal. He was an independent not recognized by the Reformed Synod.

Schoolmasters

The church appears to have had a school from the beginning but little is known about the schoolmasters.

Johann Henrich Heyl is mentioned in the annual accounting of the church record in 1775 and again in 1786.

Benedict Neidlinger is mentioned in 1790 and 1802.

Nicholas Fischer, said to have been a schoolmaster, signed the accounting in 1802

Adam Stenger is said to have been another teacher. No date is mentioned.

CORNERSTONE LAYING AND DEDICATION.

On Monday, May 30, 1803 (Whit Monday) the cornerstone was laid for the New Bethel Zions Church in Greenwich Township, Berks County, State of Pennsylvania, by the Reverend John Fredrich Obenhausser, Evangelical Lutheran Pastor of the above named Congregation. The text was taken from the Prophet of Isaiah, Chapter 28, verses 5-16.

- - - - -

The dedication of the church took place on the 22nd Sunday after Trinity, November 6 1803. The first sermon was preached by the Reverend George (should be Heinrich) Geissenhainer, Evangelical Lutheran pastor, using for his text the words taken from the first book of Moses (Genesis) Chapter 28, vs. 17-18-19.

On the same Sunday the second serman was preached by the Reverend Friedrich Wilhelm Vandersleet, using for his text the words found in the first book of Kings, chapter 8 verses 28-29-30.

On the following Monday, namely, November 7, 1803, the dedication was continued by our pastor, Johann Friedrich Obenhausen, Evangelical Lutheran pastor, who served before. The serman was preached using as his text the words found in Psalm 84, verses 1-2-3, and he pointed out that our Evangelical (Lutheran) Church also according to the Biblical teachings of God has found the Lord and will remain so long as Gods word is taught and the Sacraments are observed according to the teachings of Christ.
