The foregoing is a List of the Names of the Freeholders with the Number of Acres of Land that many of them are said to possess; Many more there are insirted of whose Lands there has not yet been any account given, the reasons are Entered against the respective Lists of Names; Herein I have only entered (as I was ordered) the Names &c. of the freeholders in your County of Philad^a which makes the Number of Inhabitants appear so few, But when the Single men, Journeymen, & Housekeepers that are not freeholders be added to that Number, it then appears that there is Tax-able People in the County of Philadelphia 2333

And in the City 1355

In all 3688

All which is Humbly presented to Yo^r honou^r.
